ABOUT VEDANTA

Vedanta teaches that humanity’s real nature is di-
vine, that the true object of human life is to unfold
and manifest this divinity, and that truth is univer-
sal. Vedanta accepts all the religions of the world
and reveres the great prophets, teachers, and in-
carnations of God, because it recognizes the same
divine inspiration in all.

The **Vedanta Society of Southern California** was
founded in 1930 and incorporated as a non-profit
religious corporation in 1934. The Society main-
tains a temple, convent, and monastery in both
Hollywood and Santa Barbara; a monastery and
shrine each in San Diego and Trabuco Canyon;
the Vivekananda House in South Pasadena, and a
Retreat in Pinon Hills. There are a number of offi-
cial Vedanta Societies in the United States, Europe,
and South America. Although the societies are
under the spiritual guidance of the Ramakrishna
Order of India, each is an independent, self-sup-
porting unit.

Membership is open to those who are seriously
interested in the teachings of Vedanta and have
attended lectures and classes for some time.
Applications are available in the Society office and
bookshop.

Private instruction is available from Swami Sarva-
devananda to those who have attended classes
and lectures for some time and want to deepen
their spiritual life in the path of meditation. There
is no charge for this instruction. Appointments
may be made at the local centers.

Information and books on Vedanta and other reli-
gions are available at our bookshops and websites.
